Just a note from... Lawrence W. Shipley III

Dear Jim & Violette -

What you all are doing  
is such a blessing to so many.

The kid's Ark magazine has  
become an integral part of the  
foundational faith for children  
that are growing up in a  
mostly secular world.

Shipley do-nuts is pleased to  
support & support such an important  
and powerful organization.

Sincere Best,  
Lawrence Shipley III
